

**LIBERTY COUNTY
SOLID WASTE
AUTHORITY**

The Liberty County Recycling Program operates under the direction of the Liberty County Solid Waste Authority.

LCSWA promotes recycling through drop-off sites for residential customers and collection for commercial businesses.

Recycling is the easiest thing we can all do 365 days a year to save energy, conserve natural resources, and create green jobs.

Recycling Program

Liberty County Residential Recycling Program

Good for Business
Good for the Environment
It Just Makes Sense

What Items Are Collected

Mixed Paper, Newspaper & Magazines

Recyclable paper collected as mixed paper covers a broad range of paper items. This category includes regular paper, junk mail, paperboard items (like cereal boxes).

These items are not acceptable for recycling: paper with glitter, crayon or oil based paint, tissue paper, food contaminated paper, paper towels and napkins, paper plates and cups, waxy paper, plastic coated paper, refrigerator or freezer boxes, and ream wrappers.

Corrugated Cardboard (Corrugated has a wavy middle layer)

Aluminum Cans

Tin Cans (steel food cans)

Plastic bottles & containers (#1, #2, #3-#7)

Glass Bottles & Jars

Where Recyclables Are Collected

- 344 Fort Morris Road (East End Convenience Center)
- 50 Isle of Wight Road (Midway area – US 84 & Isle of Wight Road)
- 619 JV Road (west side of Hinesville)
- 64 Left Field Road (US 84 at Miller Park Recreation Area)
- 836 Limerick Road (old landfill entrance near Lake George)
- 156 Pate Rogers Road (Fleming area behind “Short Cut” convenience store)
- 25 South Dairy Road (SR 196 West, South of Gumbranch)
- 111 Carter Road (behind Carter’s Funeral Home, Hinesville)
- 129 Sandy Run Road (off US 84 at the Enmark Station, Hinesville)
- 941 E.G. Miles Parkway (SR 196 West at the Training Center, Hinesville)
- 4000 South Coastal Highway (US 17 just north of Riceboro)

Why Recycle?

Recycling reduces pollution to air, water and soil; protects habitat; creates jobs; conserves natural resources; saves energy; and helps sustain our environment.

Your business can recycle too!

The Liberty County Solid Waste Recycling Program makes it simple for your business to recycle paper products, plastic bottles and aluminum cans. Collection containers (exterior polycarts) will be provided and emptied weekly at no charge. The Recycling Program Coordinator will meet with you to determine the collection schedule. Just let us know if your business is interested in recycling.

Recycling Save Money

Setting up a recycling program at your business can save money by reducing the dumpster size for garbage collection and by reducing the frequency of garbage pick-ups.

The Liberty County Solid Waste Authority will provide your business with an 8-yard dumpster for the collection of cardboard for a small monthly fee. Cardboard dumpsters are emptied weekly.

Hazardous household items (light bulbs, batteries, ink cartridges, motor oil, etc.) are collected quarterly at the Keep Liberty Beautiful Recycle It! Fair. Email klcb@coastalnow.net to receive recycling event announcements by email.
