

# ELECTION ALERT

## Additional Advance (In-Person) Voting Locations

Given the current national debate regarding mail-in absentee ballots and the receipt by many voters of multiple absentee ballot applications from political interest groups, the Liberty County Board of Elections and Registration (the "Board") appreciates that some voters may be uncertain regarding their use. For those wishing to use mail-in absentee ballots in connection with the November 3 Election, the Board is here to help answer your questions. For information regarding the proper use of mail-in absentee ballots, as well additional locations for 24-hour absentee ballot drop boxes, please call the Board at 912-876-3310 or visit the Board website at [www.libertycountyga.com](http://www.libertycountyga.com) (under "Departments").

While use of mail-in absentee ballots is recommended for those who may be especially vulnerable to COVID-19 or who have recently been exposed to SARS-CoV-2, the virus causing COVID-19, please know that **a safe and convenient in-person voting experience remains available**. In particular, and to better suit the needs of voters during the current public health emergency, the Board has established the following two (2) **additional locations for advanced (in-person) voting**:

- (1) Shuman Recreation Center, located at 800 Tupelo Trail, Hinesville, Georgia 31313; and
- (2) Grace Baptist Church, located at 1406 Airport Road, Hinesville, Georgia 31313.

Advance (in-person) voting will also continue to be conducted at both offices of the Board, located at 100 Main Street, Ste. 1600, Old Liberty County Courthouse, Hinesville, Georgia 31313, and 9397 E. Oglethorpe Hwy., Liberty County Community Complex, Midway, Georgia 31320. Please note that registration services and absentee (mail-in) voting (including the return of absentee mail-in applications and ballots) will only be offered at the two permanent offices of the Board specified immediately above. The two additional advance (in-person) voting locations (i.e. the Shuman Recreation Center and Grace Baptist Church) will not offer registration services or absentee (mail-in) voting processing; only advance (in-person) voting will be offered.

**Advance (in-person) voting will be conducted at the above four (4) locations (i) weekdays beginning Monday, October 12, 2020 through Friday, October 30, 2020, between the hours of 8:00 a.m. and 5:00 p.m.; and (ii) Saturday, October 24, 2020, between the hours of 9:00 a.m. and 4:00 p.m.**

The Board has implemented comprehensive procedures to mitigate the spread of COVID-19 and better ensure that both poll workers and the voting public remain safe while at the polls.
